Dani Ingold

Birmingham City

Illustration

Dani Ingold is an Illustrator based in Leamington Spa. Dani's work is inspired by all things hippie and happy. She likes to represent this in her work by creating bright and bold pieces with a hint of 70's colours, such as orange and yellows.

Art

I'm Jean-Batiste! My approach to art involves creating short stories within the piece through its visual language and conveying unique feelings to viewers.

I tend to use a combination of 2D and 3D to create my work, with bold colours and compositions that reflect the message I'm trying to send.
